LOCKDOWN OF NATIONAL COUNCIL DUE TO POSSIBLE EXPOSURE TO COVID-19

The National Council hereby wishes to inform the public that one of our staff members has tested positive for Covid-19.

In a bid to protect the health of our Members of Parliament and staff, we have taken a decision, and with effect from today the 27th of July, to work from home for an effective period of 14 days. We have taken immediate steps to lockdown our offices and all our buildings and surrounding areas will be disinfected tomorrow morning.

We are closely monitoring the situation and after 14 days we will re-evaluate the situation in close consultation with the Ministry of Health and Social Services.

We urge our stakeholders to reach us via email and mobile.
